The Illinois chapter of the American College of Cardiology and co-sponsors cordially invite you to this year's Annual Fellows-In-Training Poster Reception.

This year's reception will again feature a poster competition. The winner will receive the "2012 Illinois Chapter of the American College of Cardiology Poster of the Year" Award and a \$100 gift certificate.

This is a great opportunity for you to be the first to see current medical research presented by local Fellows-In-Training. All poster presenters will have the opportunity to present their work and hone their presentation skills prior to the ACC national convention. This is a wonderful occasion to see new research while enjoying an evening with colleagues and friends. We look forward to seeing you there!

Please RSVP to Nancy Mueller at nmueller@cardiacmgmt.com by March 5, 2012.
