About the Speaker

Judee Gallagher, Attorney At Law, is the principal in her Chicago based law practice concentrating on the representation of physicians, medical practices and in various medical specialties.

Ms. Gallagher was former retained counsel by the Illinois State Medical Society as its expert in physician contracting. She has lectured widely and conducted seminars regarding Physician Employment Agreements for the AMA, the Illinois State Medical Society, various county medical societies and associations, and residency and fellowship programs.

Ms. Gallagher is the author of the first edition of the manual "BEFORE YOU SIGN: A Physician's Guide to Provider Contracts" published by the Illinois State Medical Society, and scores of articles that have appeared in medical journals and publications.

Ms. Gallagher is a member of the American Health Lawyers Association and the Illinois State Bar Association Health Law Section.
