Dear Prospective Exhibitor,

Cardiovascular disease is the most common cause of death in the United States. It is reported that more than 81 million Americans have one or more forms of cardiovascular disease and more than 870,000 Americans die of cardiovascular disease each year.

Members of the healthcare team have been providing care for patients with cardiovascular health needs in a wide variety of environments affecting the lives of countless patients and families. Our knowledge of the cardiovascular system and its interactions between various other organ systems continues to evolve. As the overall care of the patient with cardiovascular disease becomes increasingly complex, it is imperative that the cardiovascular professional remain current on the diagnosis and treatment of heart disease.

As a result, the Illinois Chapter of the ACC is pleased to announce an opportunity to support the practice of cardiovascular medicine in our state through the 3rd Annual Illinois ACC Cardiac Care Associate Symposium. **This conference will be held November 6, 2010 at the Lindner Conference Center in Lombard, Illinois.** Symposium faculty will provide presentations that include Health Care Reform History; Diuretics, BNP and Heart Failure; Smoking Cessation and Health Issues; Renal Issues; Emerging Treatments in Atrial Fibrillation; Pulmonary Hypertension; and more.

**We anticipate an audience of approximately 100 cardiovascular personnel including cardiovascular nurses,**

**nurse practitioners, clinical nurse specialists, physician assistants, and cardiovascular technicians.** We invite you and your company to be an exhibitor and display in our reception hall. There will be dedicated exhibit times from 8:00 – 8:30 a.m. and 10:15 – 11:15 a.m.

**Exhibit tables will be available in the main reception area for \$1,000 each. Our Federal Tax I.D. number is 36-3740744. Please complete the attached form and return it to attention of Andy Shelp.** Don't hesitate to secure your spot because exhibitor space is limited.

We appreciate your consideration of this invitation and look forward to seeing you at the upcoming conference. Please feel free to contact us with any questions or suggestions: Scott Franzmeier at 651-290-6278, [scottf@ilacc.org](mailto:scottf@ilacc.org) or Andy Shelp at 847-977-6153, [andys@ilacc.org](mailto:andys@ilacc.org).

We welcome your participation in the program — it will be an event of superb education.

Sincerely,

Lynn Steckel, R.N., A.P.N.
