ILLINOIS CARDIOLOGY PRACTICE MANAGEMENT SYMPOSIUM

“First, Do No Harm:” Optimizing Patient Care
in a Changing Health Care Environment

Jointly sponsored/

Co-provided by:

Friday, May 14, 2010

University Club

76 E. Monroe St., Chicago, IL

AMERICAN
COLLEGE of
CARDIOLOGY
FOUNDATION

Dear Colleague,

I invite you to join us and our outstanding faculty for the 7th Annual Illinois Chapter ACC Practice Management Symposium being held on May 14, 2010.

This year we will focus on the ongoing revolution in healthcare reform. The symposium is titled “First Do No Harm: Optimizing Patient Care in a Changing Healthcare Environment.”

Attendees will gain in-depth knowledge and insight into a variety of key issues regarding healthcare reform. Topics will be covered from political, legal and medical perspectives.

Symposium Objectives

The ACC has recently launched an intensive campaign to increase physician awareness of and engagement in the ongoing evolution of the healthcare delivery system. Of particular concern is the threat that patient access to care will be adversely impacted. This symposium will focus on a variety of proposed changes that may affect cardiology practices and patient access to care.

Accreditation Statement

Physicians: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American College of Cardiology Foundation and the Illinois ACC Chapter. The American College of Cardiology Foundation is accredited by the ACCME to provide continuing medical education for physicians.

The ACCF designates this educational activity for a maximum of 6.5 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credits commensurate with the extent of their participation in the activity.

Nurses: American College of Cardiology Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

The ACCF designates this educational activity for a maximum of 6.5 continuing education hours. Requirements for successful completion are attendance in a session in its entirety and completing the evaluation tool.

This unique symposium is truly essential for those who wish to successfully embrace the brave new world that is rapidly approaching. Understanding the issues at hand will help empower attendees to meet the challenges to provide high quality patient care and continue adequate patient access while maintaining financial viability.

I look forward to seeing you there.

Darrel Gumm, M.D., F.A.C.C.

Program Chair

Illinois Chapter of the American College of Cardiology

- Recognize the forces driving healthcare reform;
- Identify how to prepare and deal with the requirement for data reporting to demonstrate quality;
- Investigate and critique the need for tort reform;
- Demonstrate appropriate adjustments as “pay for performance” changes to “pay for quality;”
- Compare the pros and cons of integrating practices with hospitals.

Disclaimer

While offering credits as noted, this program is not intended to provide extensive training or certification in the field.

Acknowledgement

At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgement will be made upon confirmation of support and at the time of the program.

ACCF Disclosure and COI Policy Statement

ACCF/Chapter committee members, faculty, staff and other individuals who are in a position to control the content of this activity are required to disclose all real or apparent conflicts of interest. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, patient care and safety recommendations. Full disclosure will be published in the syllabus.

Target Audience:

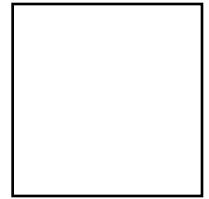

- Cardiovascular Physicians
- Cardiovascular Nurses
- Nurse Practitioners
- Clinical Nurse Specialists
- Physician Assistants
- Practice Administrators
- And any other interested specialties
