Objectives:

Following attendance at the conference, participants should be able to:

- Promote optimal cardiovascular care and disease prevention through public and professional education.
- Summarize current standards, guidelines, and health care policy for cardiovascular care.
- Compare and contrast methods of treatment for specific cardiovascular conditions.

CME Credit:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Midwest Heart Foundation (MHF) and the American College of Cardiology, Illinois Chapter. The MHF is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The MHF designates this educational activity for a maximum of 7.5 *AMA PRA Category 1 credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

As a provider accredited by ACCME, Midwest Heart Foundation (MHF) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Commercial support from industry does not influence educational content, faculty selection, and/or faculty presentations. Discussion of off-label product usage is made at the sole discretion of the faculty and must be disclosed by the faculty. Faculty participating in an MHF sponsored activity are required to disclose to the audience any real or apparent conflict of interest related to the content of their presentation(s). Faculty not complying with this policy are not permitted to participate in this activity.
